REQUEST FOR RECONSIDERATION

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The following is responsive to the final Office Action mailed April 6, 2005, in connection with the above-identified application.

Claims 1-20 are pending, of which claims 1 and 9 are independent. Claims 9-20 are withdrawn from consideration as being directed to non-elected subject matter. While claims 10-17 depend directly or indirectly on claim 9, claims 2-8 and 18-20 depend directly or indirectly on claim 1. The withdrawal from consideration of claims 18-20 is improper. No adequate rational is set forth in the Office Action for withdrawal of these claims, and issuance of a new Office Action that considers claims 18-20 is in order.
